## Zoofari

Hello Zoofari Families,

We had a very exciting January. We learned about the wallaby, opossum, and cow. We have been creating our Peek-a-Boo book, but have two more animals to add to it. We will then start our new theme of “Head, Shoulders, Knees, and Tail” after President’s Day. During this theme we will be focusing on the different parts of the animals.

**February 6: Gorilla**

**February 13: Naked Mole Rat**

“Head, Shoulders, Knees, & Tail” theme begins

**February 20: Hornbill (feathers & bill)**

**February 27: Tamandua (tail & tongue)**

As the children learn new animals, you can ask some of the following questions extend their knowledge:

1. Where do they sleep?
2. What do they eat?
3. How do they protect themselves?

Thank you for sharing your children with us! We have had a lot of fun exploring new animals.
