

October Newsletter

Zoofari

Dear Parents,

Welcome to Zoofari! We have had a great first month at the zoo! We are working on our “Animal Alphabet” theme. We learned about A is for Alligator, E is for Elephant, and P is for Prehensile-Tailed Porcupine. We have a couple more animals to go to finish our books.

In October, we will be learning about the following animals:

October 3: S is for Sloth Bear

October 10: K is for Komodo Dragon

October 17: Z is for Zebra

New Theme: 1, 2, 3, To the Zoo

October 24: Golden Lion Tamarin (GLT)

October 31: Bird – Eating Spider

During each theme we will be learning about the animals during circle time, art projects, and stations. We will be creating a cumulative project. Students will be bringing home their project at the end of each theme.

Thank you for sharing your children with us! We have had a lot of fun exploring new animals.

If you have any questions or concern, please don't hesitate to contact us!
