Parent and Teacher Communication

Dear Parents,

Our teachers at Lord of Life are here to facilitate your child's development. The first step is to establish communication between home and school. Please tell us about important things that are going on in your child's life. It is valuable information for us to know if someone is away from home, you start a new job, your schedule has changed, or a family member is sick, etc. All these things can affect your child's day at school. All information that you share with your child's teacher will be kept confidential. We are here to partner with you to foster your child's success in school.

Please return your ASQ-3 questionnaires by Friday, Sept 7th! We plan to have results for you at parent conferences in Nov. Thanks for partnering with us!

Respectfully,

Martha Clemons

Inclement Weather Policy

Please go to www.fcps.edu and check the tab "EMERGENCIES" to check for school closings. We follow the Fairfax County Public Schools (FCPS) closings.

- If FCPS is closed, our school is closed and there is no Lunch Bunch
- If FCPS has a 2-hour delay, all classes will start at 10am. Lunch Bunch will meet on time.
- If FCPS closes early, morning classes will meet as scheduled, but there will be no Lunch Bunch and no afternoon enrichment classes.

Lord of Life Preschool does not provide monetary refunds or credit for days lost due to inclement weather. Should FCPS add school days that fall within our established calendar year, the preschool will add the same days (if the preschool has missed days), but will retain the right to determine which classes will attend those make-up days based on what class days were missed.
